AGENDA

- Introduction
- Q&A with Panelists
- Closing
- Q&A with Attendees

Slide 3 features a background with a blue-to-purple gradient and a wavy, liquid-like texture on the left side. The word "AGENDA" is written in large, bold, black capital letters. To its right, a list of four items is presented in a smaller, black, sans-serif font. Two thin horizontal lines are positioned above and below the list.

3

WHY THIS WORK IS ESSENTIAL

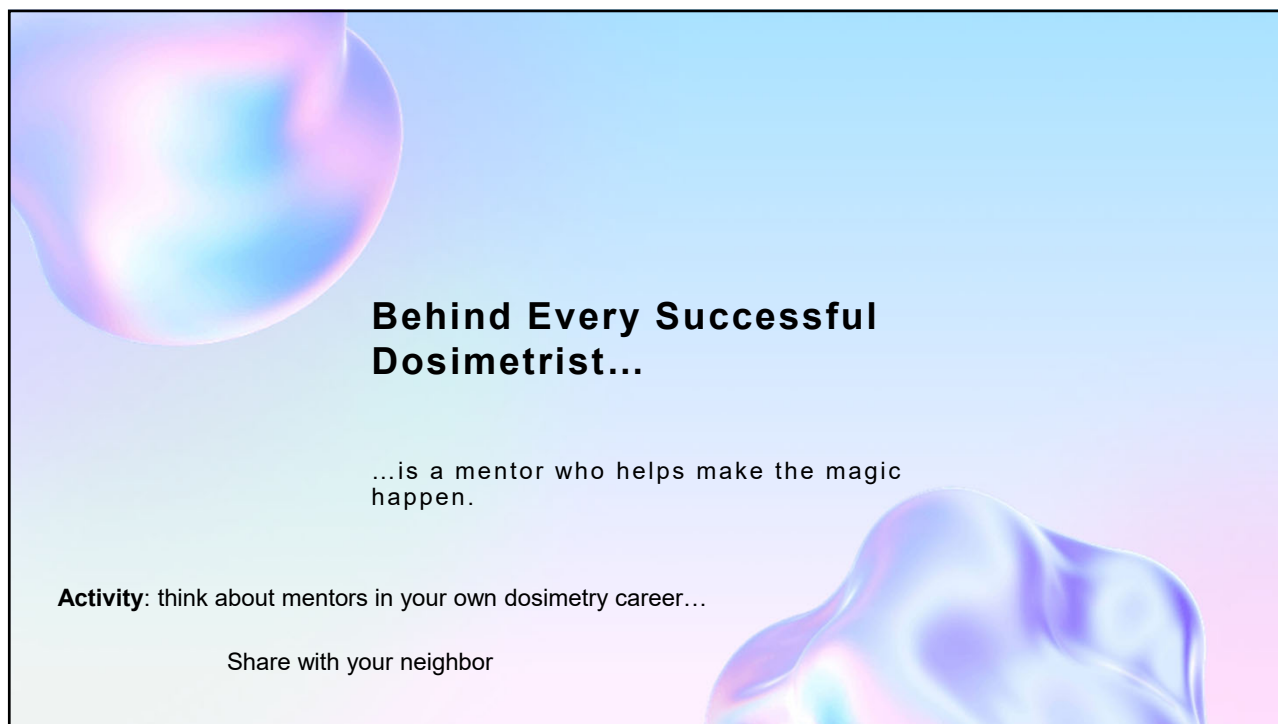

Great mentorship leads to better-trained dosimetrists...

...which leads to better treatment plans...

...and ultimately, better outcomes for patients.

Slide 4 features a background with a blue-to-purple gradient and a wavy, liquid-like texture on the left side. The text "WHY THIS WORK IS ESSENTIAL" is written in large, bold, black capital letters. To its right, three lines of text are presented in a smaller, black, sans-serif font. Two thin horizontal lines are positioned above and below the text.

4

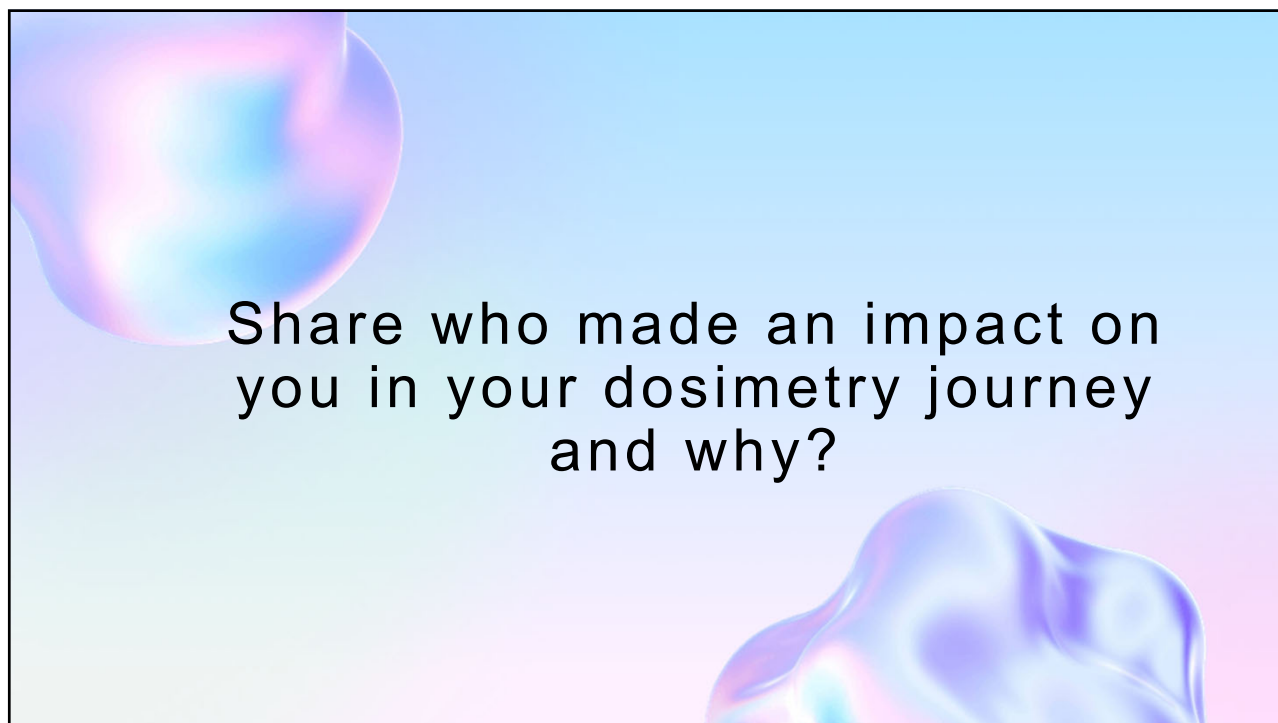

Behind Every Successful Dosimetrist...

...is a mentor who helps make the magic happen.

Activity: think about mentors in your own dosimetry career...

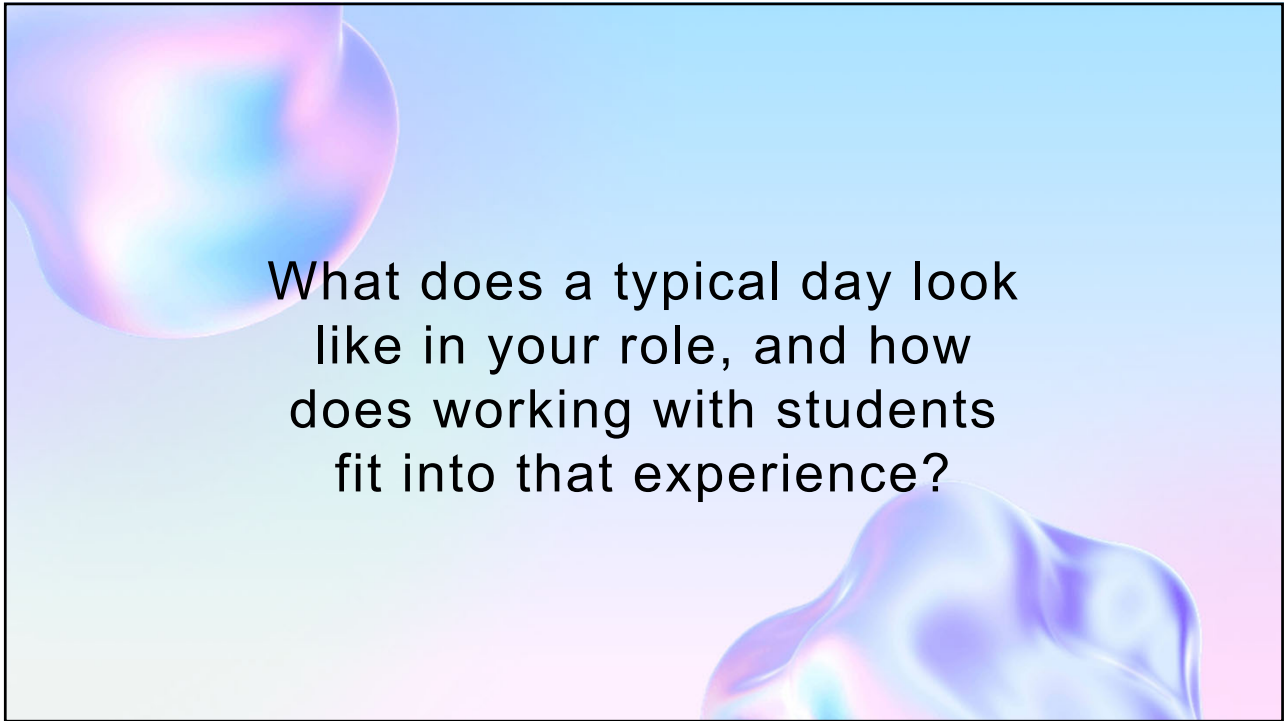

Share with your neighbor

5

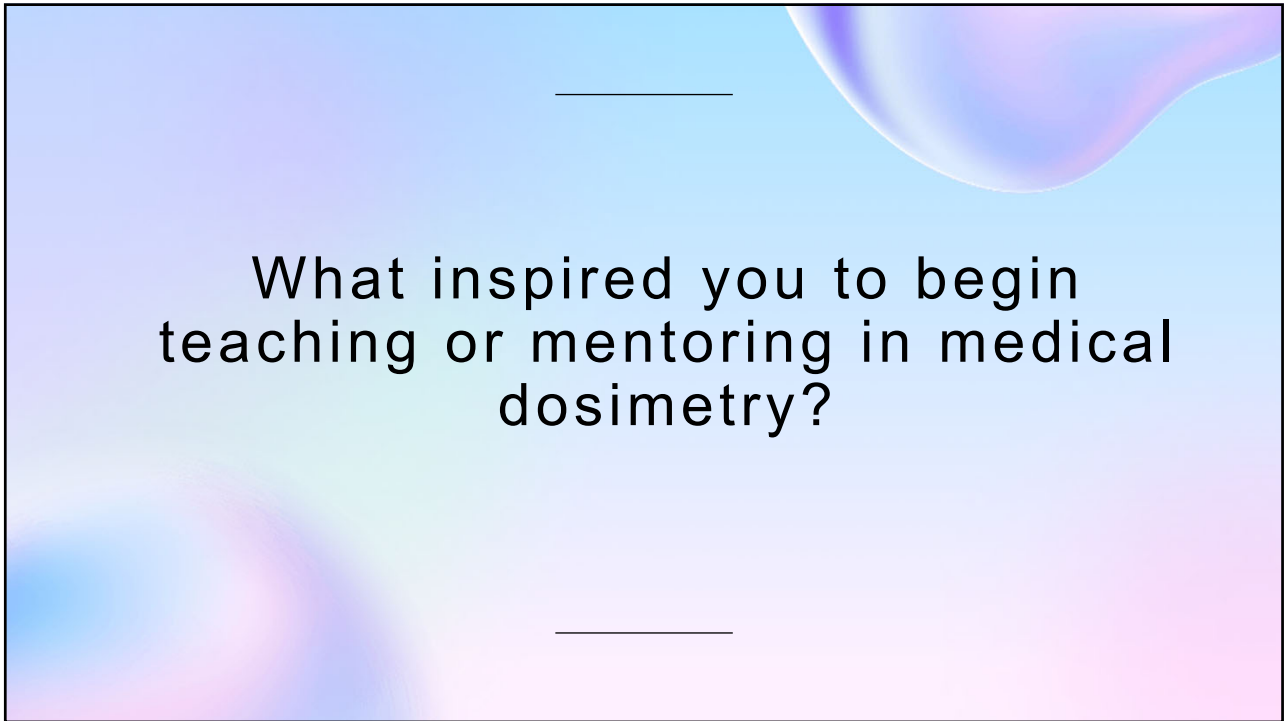

Share who made an impact on you in your dosimetry journey and why?

10

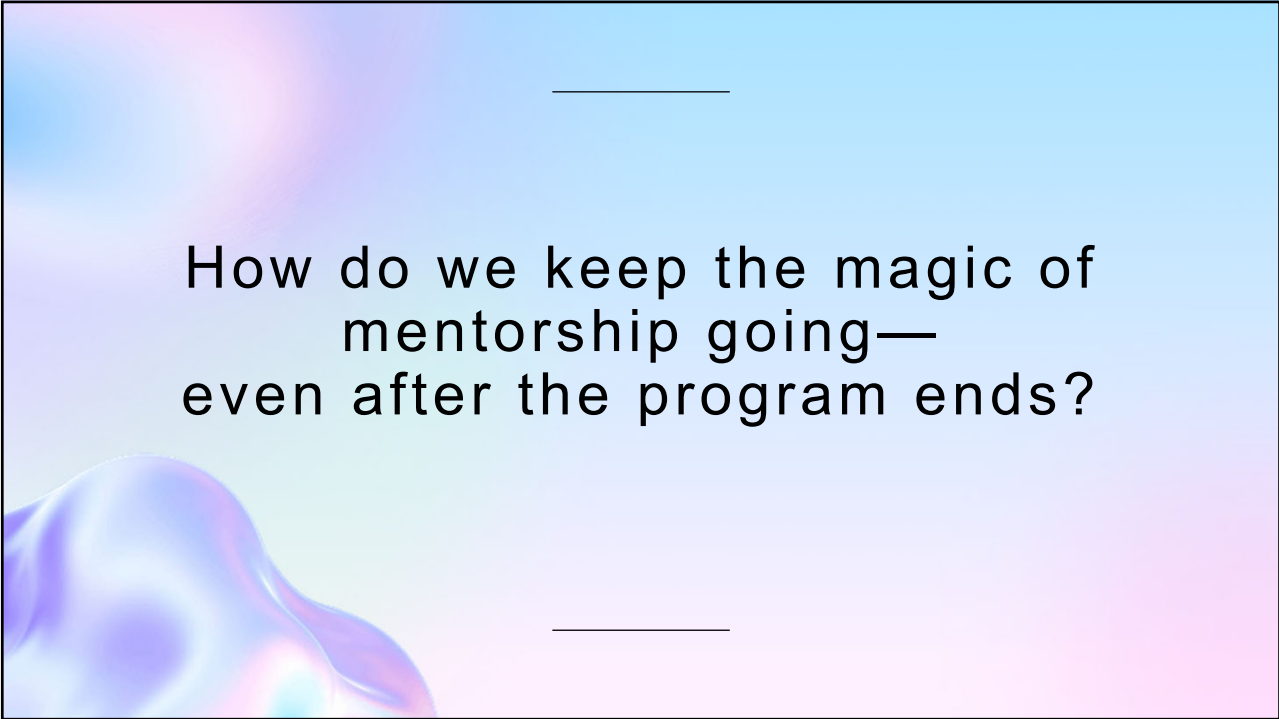

What does an ideal clinical learning environment look like, and how does the entire clinical team contribute?

11

What motivates you to “keep the magic alive” in your teaching and how do you prevent burnout?

12

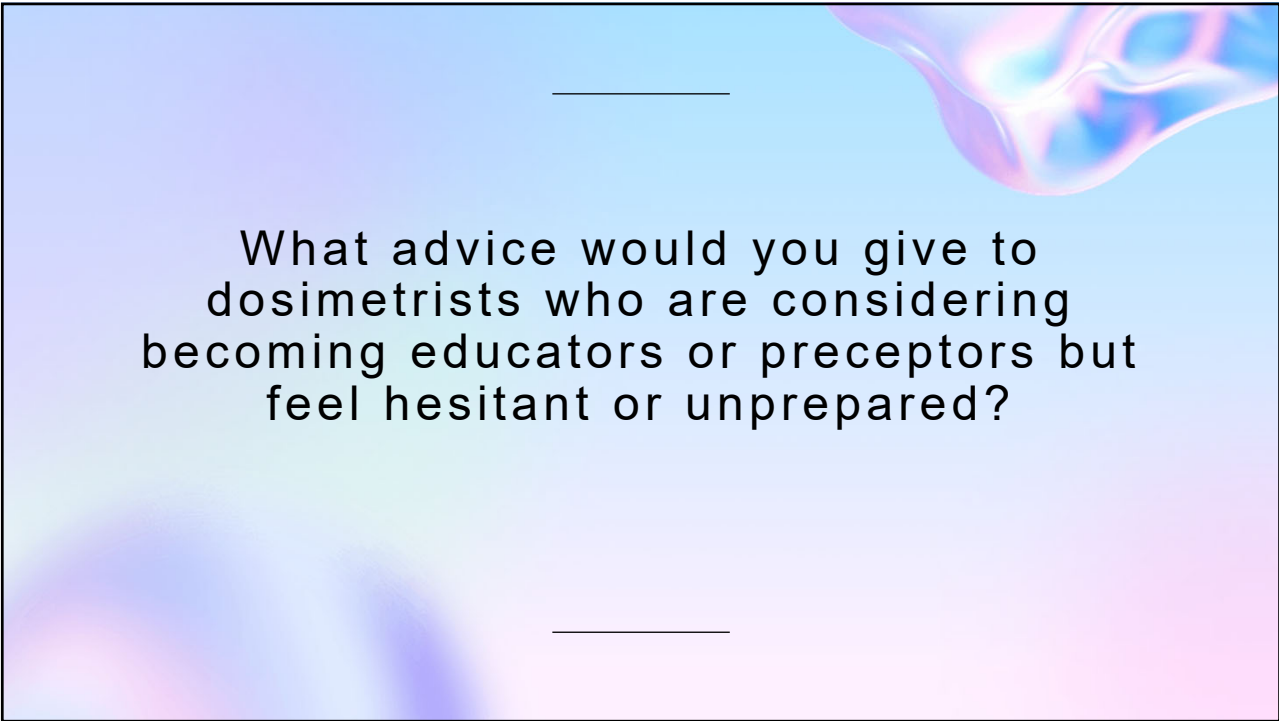

How do we keep the magic of
mentorship going—
even after the program ends?

13

What role does mentorship play
beyond technical skill
development?
