Application Guidelines

1. Minimum number of points required for consideration for elevation is 77.
2. Activities or service not appearing on the Fellow Point Evaluation Scale will not be reviewed or awarded point(s).
3. Activities or service while one was a student member of the AAMD will not be accepted for points on the application.
4. No points below 0.25 will be accepted for points on the application.
5. All applications must be submitted on the current Fellow Application.
6. Only full years of service will be used to award points.
7. No points are awarded for works-in-progress.
8. Points awarded for CE participation will be figured to the nearest whole number.
9. Points awarded for disciplines in imaging sciences and radiation therapy.
10. Letters from employers are needed only to support the maximum number of points awarded. There is no need to obtain letters from all previous employers.
11. Only lectures presented as an AAMD/ASRT/ASTRO/AAPM/ACMP or affiliate level conference can be claimed.
12. Points awarded for publication of an article in a journal are based on the position of the author and must be peer-reviewed.
13. Points awarded for the publication of books or chapters are based on the position of the author/editor.
14. Documentation for points awarded for publication of books and articles must include a copy of the first page of the article or title page of book and a copy of the cover of the publication.
15. AAMD active member of 10 years of consecutive membership: The first 10 years do not count for points on the application. The AAMD Member Profile should be used to verify membership. An appropriate letter from the AAMD should be used to verify membership. AAMD Student membership does not count towards the initial 10 years of consecutive membership.
16. When a member of the committee is acting as a sponsor of a current Fellow applicant, he or she will be excused from the voting process on that applicant.
17. In order for an applicant to be elevated, he or she must receive a unanimous confirmation of eligibility by those members evaluating the application, based on the Fellow point evaluation scale and guidelines.
18. Members of the committee will complete an applicant evaluation form for each applicant. These are sent to the Chairman of the Fellows Committee for tabulation and recommendations to the AAMD Board of Directors.
19. MDCB certification is required for fellowship.

Applicant must provide proof of initial year of certification, followed by each 5-year CE renewal period. This documentation must be from the MDCB.

Category C

Documenting all professional activities is required. Section I is activities that include participation in service to the AAMD. These professional activities carry more weight, since this is an honorary recognition within the professional organization of the AAMD.

Section II includes activities that reflect service to organizations that the medical dosimetrist, are recognized as AAMD affiliate organizations, but are not direct service to the AAMD professional organization. These activities carry less weight, since this honorary recognition of Fellow is for the professional organization of the AAMD.

Section I

1. **AAMD Presidential Term:** service in the Presidential role (to include President-elect and/or Immediate Past President) of the AAMD.
2. **AAMD Board of Directors:** Non-presidential board of director positions. Service on the AAMD Board of Directors for the required term of each position. List all positions served for each term. List each term if you have served more than one term.
3. **AAMD Committee Co-Chair/Regional Representative:** service as an AAMD Committee Co-Chair/Regional Representative. List each Committee Co-Chair/Regional Representative position. One point awarded per 2-year Committee Co-Chair term appointed by the Board of Directors. Regional Representatives who served a 2-year term receive 1 point awarded for each 2-year term. Regional Representatives who served a 3-year term receive 1.5 points for each 3-year term.
4. **AAMD Committee Member:** service as an AAMD Committee member, 2009 and after. List each committee member position. This must be confirmed by the co-chair of the committee. Points awarded per 2-year term.
5. **AAMD Regional Meeting Co-Chair:** service as an AAMD Regional meeting co-chair. Regional Directors cannot claim credit in this category if the meeting was held during their term. Points awarded per meeting co-chaired.

6. **AAMD Annual Meeting Co-Chair:** service as an AAMD Annual Meeting Co-Chair prior to the year 2007 only. After 2007, this became the responsibility of the ACC Co-Chairs. Points awarded per meeting co-chaired.
7. **Editor for the *Medical Dosimetry Journal*:** service as the Editor-in-Chief for the *Medical Dosimetry Journal* or guest editor for special issues of the *Medical Dosimetry Journal*.

5. **Participation in RAD-AID [AAMD Sponsored]:** service on an AAMD sponsored RAD-AID mission. A maximum of two trips can be claimed.

Category D

Documenting all lectures/presentations is required. The MDCB began approving AAMD activities in 1990. If a lecture/presentation was given from 1990 to the present, then approval of the lecture from the MDCB must be included with your documentation for that lecture. Prior to 1990, the documentation of your lecture can be in the form of a certificate from the meeting, thank you letter, note for being a speaker, etc.

This applies for lectures/presentations at the national and regional levels in the field of radiation oncology and medical dosimetry. This information must be included to claim points for each lecture/presentation.

Section I

1. **Lecturer/Presenter at the National Level:** professional medical dosimetry lecturer/presenter (in person or virtual) at the national level. Lecture/presentation at AAMD, ASTRO, AAPM, ACMP, AEIRS, or ASRT annual meetings or other professional society conferences with MDCB credit approval for medical dosimetry related presentations.
2. **Lecturer/Presenter at the Regional Level:** professional medical dosimetry lecturer/presenter (in person or virtual) at the regional level. Lecture at AAMD, ASTRO, AAPM, ACMP, AEIRS, or ASRT regional meetings or other professional society conferences with MDCB credit approval for medical dosimetry related presentations.

Section II

3. **Publication in *Medical Dosimetry Journal*:** author or co-author of a publication in the *Medical Dosimetry Journal*.
4. **Publication in *Medical Dosimetry Journal*:** co-author of a publication in the *Medical Dosimetry Journal* excluding first co-author.
5. **Publication of Textbook, Author:** sole author of a textbook specific to the field of radiation oncology. Points are awarded based on author position. Subsequent editions are awarded 50% credit. A copy of the textbook cover and table of contents must be submitted for verification documentation. Editor of a textbook receives half the points of authorship at each level.
6. **Publication Textbook Chapter, Author/Contributor:** sole author or contributing author of a textbook specific to the field of radiation oncology. Points awarded based on author position. If contributor means author, it is acceptable. Subsequent editions are awarded 50% credit. A copy of the textbook cover, table of contents and first page of the chapter must be submitted for verification documentation. Editor of the textbook chapter receives half the points of authorship at each level.
7. **Non-AAMD Journal Publication:** sole author of a medical dosimetry publication in a journal other than the *Medical Dosimetry Journal*. Publication must be peer-reviewed to qualify for points.
8. **Non-AAMD Journal Publication:** contributing author of a medical dosimetry publication in a journal other than the *Medical Dosimetry Journal*. Publication must be peer-reviewed to qualify for points.
9. **AAMD Curriculum Guide:** contributing author for the AAMD Medical Dosimetry Educational Curriculum Guide. Documentation as listed author on curriculum guide publication.
10. **Other Publication:** contributing author of a publication in the field of radiation oncology or medical dosimetry. Examples include organization white papers, organizational task group reports, trade publications, etc.

Section III

11. **Medical Dosimetry Poster Presentation at the National Level:** author or co-author of a medical dosimetry poster presentation displayed at a national AAMD, ASTRO, AAPM, ACMP, or ASRT meeting.
12. **Medical Dosimetry Poster Presentation at the National Level:** contributing author, excluding first co-author of a medical dosimetry poster presentation displayed at a national AAMD, ASTRO, AAPM, ACMP, or ASRT meeting.
13. **Reviewer for the *Medical Dosimetry Journal*:** service as a reviewer for the articles submitted to the *Medical Dosimetry Journal*. Documentation includes list of peer-reviewed articles exported from your Elsevier reviewer account or a letter from the Editor with article ID# and dates. De-identifying the article title/author is appropriate to ensure blind review process.

Category E

Fellow is an honorary designation for achievements, activities and services at the professional level, and not at the student level. Therefore activities, achievements, and awards while one was a student member of the AAMD are not acceptable for points.

1. **Outstanding Achievement Award/Varian Award of Excellence/AAMD Award of Excellence:** recipient of the Outstanding Achievement Award/Varian Award of Excellence/AAMD Award of Excellence. Outstanding Achievement Award first awarded in 2019, Varian Award of Excellence 1999 – 2006, and AAMD Award of Excellence 2007 – 2016.
2. **AAMD Writing Competition Winner:** 1st, 2nd, or 3rd place winner of the AAMD Writing Competition. This is the professional, non-student competition.
3. **AAMD Poster Presentation Competition Winner:** 1st, 2nd, or 3rd place winner of the AAMD Poster Presentation Competition. This is the professional, non-student competition. Years 1998 – 2003 only.
4. **Grant Recipient:** recipient of a grant related to the field of radiation oncology. Minimum monetary award of grant must be \$5000.00. “Grants in kind” are not eligible towards AAMD Fellow points.
5. **JRCERT Certificate of Excellence Award:** recipient of the JRCERT Certificate of Excellence award as an outstanding clinical educator affiliated with an accredited medical dosimetry program. The certificate is issued by the JRCERT at the program’s request. Documentation verification must include a copy of the certificate and accompanying letter. Student award is ineligible.

Category F

1. **AAMD Membership:** current and prior AAMD membership beyond 10 years of consecutive membership. Do not include the initial 10 years of consecutive membership. Consecutive membership refers to continuous membership therefore if membership lapsed, this calculation would start from the most recent AAMD membership join date. Documentation must be a record from the AAMD database (start and end dates demonstrating consecutive membership). AAMD Student membership does not count towards the initial 10 years of consecutive membership.
2. **Affiliate Organization Membership:** current member of an AAMD affiliate organization. These organizations include ASTRO, AAPM, and ASRT.
